

# The Satanic Creed

1. I acknowledge Satan, the god of the raging Chaos as my King and Father, and submit myself to his only law-which is total lawlessness.
2. I believe in the truth which is beyond all forms, and in one word that will destroy the lie: that word is Wisdom.
3. I believe in the battle and the cause, which is the bringing forth of the dark aeon, and I am therefore prepared to sacrifice my enemies and if necessary my own blood to hasten the return of the Dark Gods.
4. I believe in courage, strength and power and therefore despise pity, mercy and cowardliness, which are the shackles of the old aeon that hold the weak enslaved.
5. I believe in discipline and loyalty. For to achieve the goal which is Chaos, order must first reign in our own ranks.
6. I believe in the formula of the endless dark aeon which is **Chao ab Ordo** and look forward to the dissolution of the prevalent cosmic Order.

7. I believe in essence without form and power without end, and I am therefore prepared to sacrifice all upon the bloodstained altar of freedom.
8. I believe in Chaos, the origin and end of all things, and declare its avenger and messenger, Satan, as the outer aspect of the inner might.
9. Therefore I Praise the Dark Lord with all my heart and Soul and wait for the final war, victory and triumph that shall come.

**Hail Satan! Hail Victory!  
Hail Chaos!**
